The Wild Book Show, 2010

This year's theme: the Atmosphere including clouds, rain, sunshine, storms, weather forecasts, Almanacks, the sky's the limit! Bay Area artists make their wildest books for West Marin's annual Wild Book Show, at G·R·O. Artists are encouraged to use materials gathered in the "wilds" of the Point Reyes area. The event is sponsored by GRO and Point Reyes Books to benefit GRO's Artists in the Schools Program.
